

Subpart D—Registration of a Distilled Spirits Plant and Obtaining a Permit

§ 19.71 Registration and permits in general.

Except as otherwise provided in this part, a person may only conduct operations as a distiller, warehouseman, or processor of distilled spirits on the bonded premises of a distilled spirits plant. In order to establish a distilled spirits plant, a person must register the plant with TTB and obtain an operating permit and/or a basic permit. This subpart covers the requirements for registering a plant and obtaining an operating permit under the IRC. Part 1 of this chapter covers the requirements for obtaining a basic permit under the Federal Alcohol Administration Act.

(26 U.S.C. 5171)

REQUIREMENTS FOR REGISTERING A PLANT

§ 19.72 General requirements for registration.

(a) *Establishment.* A person who wishes to establish a distilled spirits plant must intend to conduct operations as a distiller, as a warehouseman, or both. A person cannot establish a distilled spirits plant solely for the processing of spirits.

(b) *Registration.* Before beginning operations as a distilled spirits plant, a person must submit an application for registration and receive approval from TTB. The following rules apply to an application for registration:

(1) The applicant must apply for registration on form TTB F 5110.41, Registration of Distilled Spirits Plant, and submit the application to the appropriate TTB officer;

(2) TTB will consider all written statements, affidavits, and other documents supporting the application as part of the application;

(3) If the appropriate TTB officer determines that the original application for registration cannot be approved because it contains incomplete or incorrect information, TTB may require that the applicant file an additional TTB F 5110.41, or submit other documentation to complete or correct the original application; and

(4) The applicant must file any additional forms or submit any other documentation within 60 days of the appropriate TTB officer's request.

(26 U.S.C. 5171, 5172)

§ 19.73 Information required in application for registration.

(a) *General.* The application for registration on form TTB F 5110.41, Registration of Distilled Spirits Plant, must include the following information:

(1) The serial number;

(2) The name, principal business address, and location of the distilled spirits plant if different from the applicant's business address;

(3) The operations that will be conducted;

(4) The purpose for filing the application;

(5) A statement describing the type of business organization and the persons involved in the business in accordance with § 19.93. However, if any of this information is already on file with the appropriate TTB officer, the applicant may advise TTB that the information on file is part of the application for registration;

(6) A list of any operating permits, basic permits, operations bonds, withdrawal bonds, and/or unit bonds, including the amount of any bond(s) and the name of the surety on the bond;

(7) In the case of a corporation, a list of the offices and officers authorized by the articles of incorporation or the board of directors to sign or act on behalf of the corporation;

(8) A description of the plant in accordance with § 19.74;

(9) A list of major equipment in accordance with § 19.75;

(10) A statement of the maximum number of proof gallons that will be produced in the distillery during a period of 15 days, stored on the bonded premises, and in transit to the bonded premises. This statement is not required if the operations or unit bond is in the maximum amount;

(11) A statement that accounting records will be maintained in accordance with generally accepted accounting principles;

(12) A statement of plant security measures in accordance with § 19.76;

§ 19.74

(13) The following information if the applicant intends to operate as a distiller:

(i) Total proof gallons of spirits that can be produced daily;

(ii) A statement of production procedures in accordance with § 19.77; and

(iii) A statement as to whether spirits will be redistilled;

(14) The following information if the applicant intends to operate as a warehouseman:

(i) A description of the storage system; and

(ii) Total amount of bulk wine gallons that can be stored; and

(15) The following information if the applicant intends to operate as a processor:

(i) A statement whether spirits will or will not be bottled, denatured, redistilled, and whether articles will be manufactured; and

(ii) A description of the storage system for spirits bottled and cased or otherwise packaged and placed in approved containers for removal from bonded premises.

(b) *Other business.* If the applicant intends to conduct any other business on the distilled spirits plant premises as authorized under § 19.55, the following information must be submitted with the application:

(1) A description of the business;

(2) A list of buildings and equipment that will be used; and

(3) A statement of the relationship of the business to the distilled spirits operations at the plant.

(c) *Additional information.* The applicant must furnish any additional information needed by TTB to determine if the application for registration should be approved.

§ 19.74 Description of the plant.

As required by § 19.73(a)(8), the application for registration must include a description of the distilled spirits plant. This information must:

(a) Describe each tract of land covered by distilled spirits plant;

(b) Clearly distinguish between the bonded premises and any general premises;

(c) Provide directions and distances in enough detail to enable the appro-

priate TTB officer to readily determine the boundaries of the plant;

(d) Describe each building and outside tank that will be used for production, storage, and processing of spirits and for denaturing spirits, articles, or wines. The description must include the location, size, construction, and arrangement with reference to each by a designated number or letter; and

(e) Specify when only a room or floor of a building will be used for plant operations and provide the location and description of the building, floor, and room.

§ 19.75 Major equipment.

As required by § 19.73(a)(9), the application for registration must include a list of the major plant equipment. If the equipment is set up and used for the production, storage, or processing of distilled spirits, wine, denatured spirits, or articles, the list must provide the following information:

(a) The serial number and capacity of each tank in the plant. The list does not need to include any bulk containers having a capacity of less than 101 wine gallons on the plant premises if those containers do not meet the criteria of a tank under § 19.182 (perks, small totes, etc.);

(b) The serial number, kind, capacity, and intended use of each still in the plant. The capacity is the estimated maximum proof gallons of spirits capable of being produced every 24 hours, or for column stills a statement of the diameter of the base and number of plates; and

(c) The serial number of each condenser.
